

FESTIVAL GUIDE

GETTING THERE

3 Oceans: 8141 Bussell Hwy, Metricup, WA 6280

Get your direction with Google Maps
here: <https://goo.gl/maps/X1WcZ619WhjWhDXU8>

3 Oceans is situated on Bussell Hwy in Metricup, which is almost exactly half way between Busselton & Margaret River. What a part of the world to be in!!

We have plenty of free parking at 3 Oceans Winery, but we do encourage people to make use of the return bus service options offered by local company **Gannaways** from Busselton, Dunsborough & Margaret River.

You can purchase your return bus ticket and find all the info at www.herecomesthesun.com.au

IMPORTANT: You need your 18+ ID to get on the bus. Yes, even if you look 50! No ID, no entry. Also, intoxicated folks will not be allowed on the bus.

If you do decide to drive, please see our lovely parking attendants upon your arrival for directions.

ACCESSIBILITY

The venue is fully accessible. Please get in touch with us at events@macromusic.com.au if you have a disability or mobility concerns and require any assistance

FOOD & DRINK

It is a condition of the venue license that we cannot allow you to bring food and drink onto the site.

We have a sweet array of food vans which can cater for most dietary requirements.

You can view the food vans and their menus on the event website at www.herecomesthesun.com.au
If you have a rare, legitimate condition that we're not catering for, please feel free to email us; events@macromusic.com.au

We have free water on site so please feel free to bring an empty vessel to fill up at your leisure! For safety, only soft water bottles will be accepted. No glass or metal bottles allowed.

You can find the free water point on the site map.

We have a fully licensed bar which will be selling a selection of beer, wine, cider, spirits, softies & water. If you're going to have a drink, why not make use of the buses!

SMOKERS

We have a designated space for you near the entry gates. Please respect others and keep your smoke to this area. The festival site is under strict bushfire control regulations. Smoking must be contained to the designated area.

TRASH & RECYCLING

You'll notice paired bins that are clearly marked around the site.

RECYCLING: please only place recyclable materials in these bins (cans, water cartons, water bottles, cardboard). It's a real bugger if they're contaminated.

WASTE: you can place things like food, perishables, and any non-recyclable materials in these bins.

BIOPAK: We serve our drinks in compostable biopak cups. These can be thrown into the General Waste bins. They are made of plant cellulose and will break down overtime without leaving harmful plastics behind.

We're employing **WASTE MARSHALLS** to help reduce the waste at this show & we thank you for your contribution.

KNOW YOUR EXITS

Please take a minute to familiarise yourself with our **SITE MAPS** on the website.

EMERGENCY EXITS and the **EMERGENCY MUSTER POINTS**.

In the rare case of an emergency, please walk calmly to an unobstructed **EMERGENCY EXIT** and follow the directions of the security personnel.

FESTIVAL GUIDE

WHAT TO BRING

You must follow the reasonable directions of Event staff as required and comply with the law at all times during the Event.

WHAT TO BRING

- Your tickets! Remembering these will certainly start your day off on the right track!
- Your valid photo I.D is essential as this is a licensed, 18+ only event. Your Australian drivers' licence or proof of age card, or your passport will do the trick.
- Don't forget your empty water bottle. For safety, only soft water vessels are allowed. No metal or glass.
- Shoes. You must be wearing them to enter the festival. We highly recommend you wear sensible, closed in shoes to protect your feet on the dancefloor and in crowded places. While we wouldn't recommend sandals or thongs as your choice of footwear, we will still allow you entry. No steel caps.
- Of course, bring some cash or your card if you want to enjoy food, drink or score some sweet merchandise from the band.
- Remember to check the weather and bring appropriate clothing. It tends to get quite cold in the South West once the sun goes down!
- If you have prescribed medication that you require to take at the event, please bring your valid script with you and declare it to security and gate staff on entry.

WHAT NOT TO BRING

- Bad energy! Leave it at home.
- Professional camera and recording equipment or drones, tripods, monopods, selfy-sticks. By all means, bring your point and shoot cameras, but leave anything with a detachable lens at home.
- Weapons or anything that may be deemed unsafe by our lovely security personnel.
- Steel cap footwear will not be allowed entry into the festival site
- Umbrellas. These are a safety hazard and block the view. Please bring a rain coat or poncho if in need of rain cover.
- Chairs are not allowed into the concert. ACROD and Pension card holders or people with mobility impairments, may bring a foldable chair if they have a legitimate condition that requires it. Please contact us at events@manchromusic.com.au with any special requirements by the 3pm the Friday before the concert.
- Food and drink; like we said before, we can't let it in! If you have a legitimate severe allergy that is not catered for by our food vendors, please email us at events@macro-music.com.au by 3pm, Thursday prior to the event so that we can discuss your options.
- Intoxicated people will not be allowed into the venue. If you are found with BYO alcohol at the event, you will be denied entry and/or removed from the premises.
- For safety reasons, we cannot allow moshing, crowd surfing, or dangerous/violent dance moves.
- People under the age of 18 will not be allowed entry. This includes your children, and babies.
- No Animals: animals are not permitted unless certified service animals.
- Drugs: if you are found supplying, consuming or in possession of illicit drugs you will be removed from the Event Site and may be referred to police.
- Flammable liquids, perfumes, aerosol cans
- Coolers and eskies
- Skateboards, hoverboards, scooters, bicycles, quad-bikes, or any other personal motorised or non-motorised vehicles.
